

JA – SCHOOL COMMUNITY RIGHTS AND RESPONSIBILITIES

Our goal is to provide rigorous learning opportunities for all members of our school community in a personalized learning environment. To achieve this end, our strategy is to implement a learning community of disciplined people, thought and action focused on high expectations for teaching and learning. We expect all of our school community, including students, to:

1. Support the individual in determining his or her learning purposes and the means for achieving them.
2. Provide a rigorous educational program to promote success for all learners.
3. Balance the educational program with real world and service learning.
4. Be engaged in the learning process by setting high expectations and collaborating with others to meet these expectations.
5. Respect the right to learn for all and at all times.
6. Be responsible for one's own learning and encourage the learning of others.
7. Behave in an appropriate manner considerate of one's self and the community.
8. Be accountable for one's actions and choices.
9. Be truthful, courteous, and take pride in one's work.
10. Be present and on time.
