Fremont School District Public Hearing

On Petition to Amend the School District Charter

The Fremont School Board shall hold a public hearing on Friday, January 22, 2010, at 6:30 pm at the Laurence Pettengill Hall at the Ellis School, 432 Main St., Fremont, NH. This hearing is being held pursuant to NH RSA 49-B:5(IV) and pertains to a citizens' petition to amend the School District Charter to implement official ballot voting in accord with NH RSA 40:13 (also known as Senate Bill 2) so that all matters are voted upon by ballot at the annual school district election. It is anticipated that the Petitioners wish to retain the March election date, and testimony will be sought at the Hearing from the petitioners as to whether that is their intent.

The Text of the amendment is as follows:

“School District of Fremont, N.H. Each of the undersigned voters respectfully request the School Board to provide for the amendment of the School District Charter as set out below.” RSA 49-B:5, III; RSA 197:5-b.e

“Shall the Fremont School District (S.A.U. 83 Fremont N.H.) vote to adopt all provisions of SB 2 voting (Official Ballot” – RSA 40:13) on all issues before the Annual School District meeting?”
